Printing colours *

- Declare all colors as pantone!
Display- and printcolours of the layout can be different to the pantone colours. Due to production reasons, colours of fabric and printing can be slightly diverse to the pantone colours.

1. Pantone _____

2. Pantone _____

3. Pantone _____

4. Pantone _____

5. Pantone _____

6. Pantone _____

Print data

- Deliver the print data as vector
Convert text in vector also.
- Minimum resolution for pictures
45 dpi in original size. 75 dpi and more would be perfect.

Production

- Differences because of the sewing are possible.
We can not guarantee that colored areas are always parallel at the welds.

Errors and omissions excepted;
subject to change without prior notice.
Use only allowed for EXPOTENT foldable tents!
